PHCET QUALITY POLICY

PHCET's goal is to be identified as an academic institution that embodies all that one looks for in a high quality Engineering and Technology Institution of higher learning.

In order to accomplish this PHCET

- shall continually strive to provide high quality services to all its stakeholders with utmost care to most of all the student community
- shall make consistent efforts to build high quality human capital with empowered students and employees
- shall choose and apply measurable quality indicators such as feedback and administration management systems and other tools as appropriate from time to time
- shall continually improve the services it provides as per the changing needs of the times
