2. To discuss about Innovative Ambassador training for advanced course
3. To discuss about advertisement of IIC activities
4. Any other item with the permission of Chair

Kindly make it convenient to attend the meeting.

Dr. G.V. Patil

IIC Convenor

Dr R. C. Prasad

IIC President

Dr. J.W. Bakal

Principal

**Pillai HOC College of Engineering and Technology, Rasayani**

**Minutes of the IIC meeting held on May 19, 2022**

The meeting started by IIC Convenor, Dr. G.V Patil with welcome of Head of Institution, IIC President and IIC members and following points were discussed in the meeting.

**Discussion:**

1. IIC Convenor proposed to update quarter 3 activities to all IIC members and IIC president proposed to give more emphasis on Calendar driven activities ( 50% weightage, followed by Self Driven 30%,Mandatory MIC Driven 10% followed by Celebration activities)
2. Proposed by Head of institution Dr. J.W.Bakal, IIC Meeting should be held at least twice a month & the Diploma Section should be a part of the meeting and their contributions too should be included in the Quarterly activities
3. Proposed by Head of institution Dr. J.W.Bakal all HOD's shall display the monthly plan of their activities in advance in their respective Departments and send a copy to the Convener IIC for compilation.
5. Manpower deployment from all Departments and Polytechnic Section with their timeline in the Research, Innovation, Incubation & Entrepreneurship Cell situated on the ground floor
6. Proposed by IIC President Dr. R.C. Prasad, In HEIs dissertations are an important component of research and henceforth the faculty should submit the titles of the BE/ME Projects with brief description for discussion/Deliberation in their respective Departments before it is circulated to students without the name of the faculty. Select topics based on Industry requirements. Work together with industry leaders. Each Department should bring a Quarterly Newsletter / Technical open access journals with ISBN
8. Establish CoEs through Research-Innovation -Incubation - New Technology - Training and Connect academia to Industries to bridge the gap with collaborative efforts / Industry Park. The idea should be to publish papers but also to help import substitution of products. To start with the CoEs may be self-funding for initial few years
9. Patent should be demand based and economically viable.
10. Some of the areas for inter Departmental projects may include AM/3DP for Health ( Bone implant/Dental aligners and other implants used in Dentistry)/ Lightweight Materials for Aerospace, Automobile and transportation / Energy Harvesting & Storage Devices and Entertainment Sectors including Toys. This may involve innovative Design/Design thinking / Materials Development & selection/Manufacturing / Market Research for STEM & Electronics based Toys..

**Pillai HOC College of Engineering and Technology, Rasayani**

IRMRA has become a CoE in this Sector and we can take advantage by virtue of our signing a MOU with IRMRA

11. It was decided to create e- Repositories with high quality e-Content for web based learning to supplement and complement the traditional teaching & learning.. It has two components i.e. Educational Content Development by faculty and Program Development by IT Experts.

The agenda, plan of action for implementation and evaluation for above shall be accomplished through the screening committee under the IIC.

The meeting ended with the vote of thanks to all invitees.
