Major events by PHCET Students Council 2023-24

The objective of this elected Student Council is to conduct various technical events like special lectures, training program, industrial visit and interaction, conducting student's enhancement workshops etc. for the students of PHCET. Various programs which are done till date by student's council are

1. IIC Regional Meet

The Institute Innovation Council's Regional Meet hosted by Mahatma Education Society's Pillai HOC College of Engineering and Technology, Rasayani on 6th Feb 2024, was a significant event facilitated under the Ministry of Education, Government of India's Innovation Cell and All India Council for Technical Education. With Dr. Anil Sahasrabudhe, Chairman NETF, as the chief guest, and notable figures such as Dr. Dipan Sahu and Sh. Ramanan Ramanathan as guests of honor, the event aimed to foster innovation and nurture the entrepreneurial ecosystem. Featuring innovation rounds, knowledge-sharing sessions, and orientations for innovators and startup founders, it provided invaluable insights and networking opportunities. The event, guided by esteemed figures including Dr. K.M Vasudevan Pillai and Dr. Priam Pillai, attracted over 500 participants from various higher education institutions. The meet culminated in a valedictory function, recognizing outstanding contributions with certificates of appreciation and launching the Spiritual Anatomy Book on Meditation, Chakras by Shri. Kamlesh Patel, President of Heartfulness Institute.

2. National Science Day (Pariyojana Club Inauguration)

On National Science Day, celebrated at Pillai HOC College of Engineering and Technology on 28th February 2024, marked a pivotal moment as the Student Council Committee inaugurated the Pariyojana Club (Project Club). Additionally, students were treated to an insightful tour of the Research and Development (R&D) lab. The highlight of the day was a captivating lecture on ISRO by Mr. Kartik Nagarajan. The event witnessed the esteemed presence of all Heads of Departments (HoDs) and Principal J.W. Bakal, underscoring the institution's commitment to fostering scientific curiosity and innovation among its students.

3. Marathi Bhasha Gaurav Din

On 29th February 2024, Marathi Bhasha Din (Marathi Language Day) was celebrated with great enthusiasm at Pillai HOC College of Engineering and Technology, under the auspices of the Student Council Committee. Continuing the spirit of celebration, the committee, alongside the esteemed guests, inaugurated the festivities. The day served as a platform to honor and promote the rich cultural heritage of the Marathi language. In addition to cultural performances and activities, students were engaged in discussions about the significance of Marathi language and its contribution to literature, arts, and society. Principal J.W. Bakal and all Heads of Departments (HoDs) graced the occasion, emphasizing the college's commitment to promoting linguistic diversity and cultural appreciation among its students.

4. Woman's Day

On International Women's Day 2024, Pillai HOC College of Engineering & Technology's Women Development Cell orchestrated a dynamic series of events to empower and celebrate the remarkable women in our community.

The day began with a practical Self-Defense program, equipping our women with essential skills for their safety and confidence. Students then showcased their creativity in Nail Art and Mehndi Competitions, displaying their artistic talents and cultural flair.

Intellectual engagement took center stage with a strategic Chess Competition, highlighting the sharp minds and strategic thinking of our female students. And in the spirit of teamwork and sportsmanship, an exhilarating Throw Ball Competition added a dose of fun to the celebrations.

These diverse events showcased the multifaceted talents and aspirations of our female students, reaffirming our commitment to their empowerment and success. Let's continue to celebrate and support these remarkable women as they strive for excellence and leave their mark on the world.
