**A. Schedule of the activity**

**Title of the session:** Training for Qform International Olympiad

**Date and Time:** 29<sup>th</sup> February, 2024

**Duration:** 3 hours

**Mode:** Offline ( Venue: Research Lab)

**Description of Activity:**

Since 2016, QForm International Olympiad is being conducted by MES. A series of training programs are arranged prior to the final Test which is in April / May. This year too MES agreed to organize the QForm international Olympiad at the Pillai HOC College of Engineering & Technology. This event was attended by 75 students. The presenter Dr. M.D Nadar introduced students to forming related basics. Further Dr.R..C. Prasad continued to show the details about forging parameters with the help of slides and videos. Also emphasis on simulation of manufacturing process was done.

The program was concluded with the basics about the Qform software and the Olympiad structure was explained to the students. This increased their interest in learning the cutting edge software and participating in international competition.
