Pillai HOC College of Engineering and Technology, Rasayani**

stage for session. The keynote speaker for the event was Mr. Pratik Chainani, L&T. In a thought-provoking presentation, Mr. Pratik Chainani emphasized the importance of aligning personal strengths with evolving technology trends.

Speaker explained about various future technologies and areas students can explore as career path. He also highlighted the significance of technologies in empowering individuals to navigate the ever-changing tech landscape, providing them with tangible tools for professional growth. The interactive Q&A session further enriched the experience, allowing participants to seek personalized guidance.

Mr. Jayesh Rane, Assistant Professor, delivered a vote of thanks, expressing gratitude to Mr. Chainani for his valuable insights and the audience for their active participation. The event, from start to finish, was a resounding success, leaving participants inspired and well-equipped to face the challenges and opportunities of the rapidly evolving technology industry.
