**Pillai HOC College of Engineering and Technology,
Rasayani**

ANNUAL REPORT

Academic Year 2024-25

From The Principal's Desk

We the faculty, staff and students of the Pillai HOC College of Engineering & Technology aim to become a leading Engineering College for Quality Education and Research in Engineering. The infrastructure with the state of art library, communication skill lab, computing facilities, laboratories, campus amenities and a team of the competent faculty are ready to contribute to the suitable environment for the development of the Young Brain into Bright Professionals. The teaching and learning process at Pillai HOC College of Engineering & Technology is designed to produce right combination of skills, knowledge and attitude while the emphasis is to be placed on understanding of basic concepts and fundamentals in each course, the student will also be encouraged to think across different subjects in interdisciplinary and multidisciplinary term through problem-based learning, group projects and hobby club activities. The institution's campus provides a unique environment to the students that promotes culture, art, sports, and human values. Various students' societies will provide a platform for several competitive extracurricular activities promoting individual and teamwork skills. We sincerely believe in developing the required capability, quality, and competence in our students that will make them create the value of their organization, society, nation and entire mankind through green and sustainable ways of development. Thanks to the extraordinary leadership of incumbent chairman and his closely guarded virtues of practicing angel from a social angel. As the Principal of this outstanding institution, it is my pleasure and honor to invite you to be a part of mission, vision and contribute to the development of this region and our great nation with devotion, dedication, and discipline.

Wishing students a bright future.

NBA FILE (I.T. & CIVIL)

30/10/2023

Subject: Accreditation status of UG Engineering programs applied by Pillai HOC College of Engineering and Technology, Pillai HOCL Educational Campus, Rasayani, Tal. Khalapur, Dist. Raigad, Maharashtra-410207.

Sir,

This has reference to your application I.D. No. 7530-12/12/2022 and 7542-13/12/2022 seeking accreditation by National Board of Accreditation to UG Engineering programs offered by Pillai HOC College of Engineering and Technology, Pillai HOCL Educational Campus, Rasayani, Tal. Khalapur, Dist. Raigad, Maharashtra-410207.

2. An Expert Team conducted onsite evaluation of the programs from 25th to 27th August, 2023. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Information Technology	Tier II June 2015 Document	Accredited	Academic Years 2023-2024 to 2025-2026 i.e. upto 30-06-2026	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Civil Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. Pillai HOC College of Engineering and Technology, Pillai HOCL Educational Campus, Rasayani, Tal. Khalapur, Dist. Raigad, Maharashtra-410207 should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Pillai HOC College of Engineering and Technology, Pillai HOCL Educational Campus, Rasayani, Tal. Khalapur, Dist. Raigad, Maharashtra-410207** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is **program accreditation and not Institution accreditation**. If such an instance comes to NBA's notice, this will be **viewed seriously**. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
